Lighthouse of SWFL Receives Grant from Cape Coral Community Foundation

(North Fort Myers, FL) – Lighthouse of SWFL is pleased to announce it has received a \$5,000 grant from the Cape Coral Community Foundation, the Global Center for Generosity to support their Blind Babies Program. These funds will provide innovative toys and equipment for a creative play space, which will aid in developing skills for independence for babies and young children with major vision loss.

Lighthouse of SWFL’s Blind Babies Program works collaboratively with families to develop a plan that maximizes their outcomes and provides services geared towards helping infants and preschool age children with blindness or visual impairment reach their fullest potential.

“This generous grant from the Cape Coral Community Foundation will make a significant impact on the lives of local children,” said Dotty St. Amand, Chief Executive Officer of Lighthouse of SWFL.
